1. Release of 30 acres 10 guntas in S.Nos. 3, 4, 5 and 6 of Hanumanthapura village, Anapinakatte Minor Forest, Shimoga Taluk.

We have inspected this land. It is contiguous to the area already released and there is a small tank in between. The area separately wooded and mostly with flowered and dead bamboo and fit for wet cultivation. Its release is agreed to.

2. Release of 90 acres of land in S.No. 10 of Kombinakai, Hanagere State Forest, in Thirthahalli Taluk.

This was an assessed waste land and there is not much tree growth on it except flowered bamboo. Wet cultivation seems to have been abandoned in this land only a few years ago and all the terraces are still evident. There are 3 tanks which if improved will irrigate about 90 acres. The release of this area is agreed to.

3. Release of 30 acres in S.Nos. 22 and 23 of Kunehosur Village;

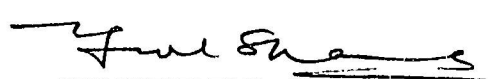

This is a bare swamp with no tree growth, and consists of heavy grass. With the improvement of the tank in the area it will irrigate 30 acres. This area is also close to the area. 50 acres released during the last inspection.
